

Religious Education Curriculum Intent

At Bushfield Road Infant School we ensure that Religious Education engages, inspires and equips children with the relevant knowledge and skills which are key within the multi-cultural world.

Our Religious Education curriculum is created around three main themes; *Beliefs and Practices, Identity and Values and Meaning and Purpose*. We ensure that there is clear progression from Reception to Year 2, building on the key elements of, identifying special places and what makes each pupil special, different religious beliefs, values and traditions and opportunities to explore their own 'big questions' based on their knowledge of different faiths.

We encourage our pupils to investigate, interpret and apply their skills to a variety of other subjects through cross-curricular learning and the teaching of British values, helping to prepare them to become respectful citizens within society.
