

Phonics

Use your phase 2 and phase 3 phonics to help you decode these words and sentences.

Show your grown ups how you sound talk to decode words. You can even show them how you use your sound buttons – spot for a single sound and a line for digraphs and trigraphs (Grown ups - that's where 2 or 3 letters join together to make one sound).

There are lots of activities here for you to do over the week.
