- 1 North Lincolnshire wishes to promote provision for under fives throughout the Authority. All applications from families living in any area of North Lincolnshire must be considered. Applications received will be considered in the light of the school's admission policy for admission to the nursery class.
- 2 The parent/carer will be expected to fill in and/or sign a standard application form. All information given by the carer will be regarded as confidential. It should be pointed out to parents that attendance at the nursery does not guarantee a place in main school.
