

# BUSHFIELD ROAD INFANT SCHOOL NURSERY

We would like to give a warm welcome to all children and families who have started in the Nursery. Please see below relevant information.

## EMERGENCY CONTACT INFORMATION

It is important that we hold up to date parental and emergency contact information for all children in case of an emergency. Please ensure that you contact the school if you have changed address/telephone numbers etc.

## PACKED LUNCHES

If your child has a packed lunch please ensure that grapes are cut up as this is a choking hazard and please do not include chocolate or sweets.

## NEWS LETTERS

Moving forward, newsletters will no longer be sent out as paper copies but will be available to view on the Bushfield Infant School website [www.bushfieldinfants.co.uk](http://www.bushfieldinfants.co.uk). A text message will be sent out to parents/carers when they are available for viewing.

## ALLERGY

Please be aware that we have a pupil in school with a severe nut allergy. For that reason we ask you to ensure that if you are making a packed lunch, you do not include any nuts or nut ingredients such as Nutella and Peanut butter. Thank you.

## PHOTOS

We will be having a class activity in the next coming weeks talking about family and how the children have changed since being a baby. Please bring in a photo of your child with their family and one of them as a baby by Friday 22<sup>nd</sup> September. Please email them to [parents@bushfieldinfants.co.uk](mailto:parents@bushfieldinfants.co.uk)

## CLASS NAMES

From September 2023, each class will now have a name which will make it easier to identify which class your child is in. Nursery Class is now called Badgers.

## COLD WEATHER CLOTHING

When the colder weather arrives, please can you make sure that your child has a suitable coat in school every day for outdoor play.

## PARKING

Please be respectful when parking outside resident's properties or within the 'No Parking' zone around school. Please do not park vehicles on the corners of roads around school as this is proving to be dangerous, and can cause problems for emergency services.
