

# BUSHFIELD ROAD INFANTS

## NEWSLETTER-JULY 2022

This year at Bushfield, we have tried to make things consistent and as normal as possible for the children. This has included usual school routines, children taking part in school events such as the summer school trips which the children thoroughly enjoyed, sports day, colour run and many other events which they have taken part in throughout the school year.

Sports Day was a huge success and it was lovely to see so many parents come to support their children and cheer them on. The children did so well in the races, so a special well done to them all. The children especially loved the colour run activity; It was such a fun activity for the children to take part in.

We hope you have enjoyed seeing your child taking part in fun events and returning to normality in the school environment. We would like to thank you for all your support during the last year and supporting and encouraging your child with their learning.
