PARENTAL/ADULT RESPONSIBILITY

Please can parents/adults be aware that it is their responsibility to supervise their children on the playground in the morning before school is opened at 8.55am and at the end of the school day when the children are collected.

We would be grateful if children **stay off the grass, the activity trail, garden areas** and please make sure children **do not climb over the mushrooms and daisy table**. Please help by encouraging them to play sensibly whilst waiting to come into school. Thank you for your co-operation.

PARKING

Please be respectful when parking outside resident's properties or within the 'No Parking' zone around school. Please do not park vehicles on the corners of roads around school as this is proving to be dangerous, and can cause problems for emergency services.
