Weekly Newsletter 3rd July 2026

Your weekly newsletter about our school!

Kindness Teamwork Curiosity

"At our school, we are growing learners who sparkle for life"

This Week at School

We have had a great week at school! Our fantastic Year 2 pupils have taken part in their transition events this week. We are so proud of them because they have all come back to school with big smiles on their faces. We know this is a daunting time for our Year 2 pupils, but it is wonderful to hear about all the great things they have taken part in. KS1 have had a blast this week! They went to Cleethorpes as part of their topic, Land and Sea. The children explored the beach, played with their friends, and enjoyed some yummy chips as well as an ice cream. The children also visited the RNLI Centre and learnt lots about how they support and save people who get into trouble in the water. Thank you so much for providing such a great and engaging session for our pupils.

Transition

We are pleased to share that on Tuesday 7th July (next week), your child will visit the classroom they will be joining in September 2026. They will spend the morning with their new class teacher, taking part in a range of fun and engaging activities. On Tuesday evening, your child will bring home a slip with their new teacher's name, so please be sure to check their book bag. There will also be another transition morning during the final week of term, giving your child a further opportunity to spend time with their new teacher and become familiar with their new classroom.

End of year school reports

On Friday 10th July, you will receive your child's end-of-year school report via the Arbor App. We will not be sending paper copies this year as part of our commitment to reducing paper use and being more environmentally and economically responsible. Please ensure you are able to access the Arbor App so that you can view your child's report.

What are we learning in school?

In Nursery, we have been having a wonderful time developing our mathematical vocabulary by exploring the concepts of "on" and "under." The children have enjoyed placing different objects on and under a variety of items, helping them build their understanding through practical play. We have also been spending time practising for Sports Day, which everyone is very excited about! In Reception, the children have been learning all about equal sharing in maths, using practical resources such as buckets and counters to share amounts fairly between groups. Meanwhile, our Key Stage 1 children had a fantastic trip to Cleethorpes, where they enjoyed spending time on the beach while learning about the different human and physical features of the seaside. It was a brilliant day full of learning and fun. Across Early Years and KS1, children have also been enthusiastically preparing for Sports Day, and we are all looking forward to taking part and showing off our skills next week.

Attendance Update

At Bushfield Infant School, we are committed to providing high quality education for all of our children. In order for a child to reach their full potential, we expect a high level of attendance.

- Whole school weekly attendance percentage: 95.2% - We are ABOVE national, Woohoo!
- National average: 94.5% - This is below national.

If your child's attendance drops below 95%, you will receive a letter highlighting this to you. Attendance under 90% will involve a letter requesting a meeting and a request for support from the local authority to rapidly improve your child's attendance. Whilst we understand children sometimes become poorly, attendance at Bushfield must improve.

School Dinners Parent Taster Session

We are delighted to announce that on Tuesday 14th July at 2:45pm, all parents are invited to join us in the school hall for a special tasting session with our new catering provider, Dolce. This is a wonderful opportunity to sample some of the delicious meals that will be available to children from September 2026, learn more about the variety of food on offer, and discover how Dolce caters for dietary requirements, allergies, and individual needs. We hope this event will give parents a better understanding of the high-quality meals that will be available to our pupils. We look forward to welcoming you to the school hall and seeing you there!

Sports Day Information

We are excited to invite parents and families to join us for Sports Day on Tuesday 7th July. This is a fantastic opportunity to cheer on your children as they take part in a range of exciting races and activities. The school gates will open from 1:05pm, with races for Reception, Year 1 and Year 2 beginning promptly at 1:15pm. Our Nursery children will join us on the field from 2:30pm to take part in their races. Sports Day will finish at 3:00pm, and we look forward to welcoming you for an afternoon of fun, encouragement, and celebration of our pupils' sporting achievements. 🏃🏅🏃
